(1) Mathematical Modeling	✓
(2) *GenEd?*	
(3)	
(4)	

Major (30-42 cr.)	
Optional Minors & Certificates	
Optional Hours Outside the College (20 cr. limit)	

Admission to the College from University Division

- 26+ credit hours toward degree • declared a major in the College
- GPAs: 2.000 College & major • English Composition satisfied
- You will be automatically admitted or "certified" into the College once you meet the criteria above. Consult your major advisor for planning upon certifying into the College.

Graduation Snapshot: 120+ credits

- at least 100 hours must be in the College
- 42 credit hours must be at the 300-400 level
- GPAs: 2.000 cumulative, College & major
- At least 36 of the hours after the 60th hour must be in the College at IU Bloomington or through an IU-administered or IU co-sponsored Overseas Study program

Notes

[1] Critical Approaches and Intensive Writing-designated courses are IU Bloomington only. Plan to take these requirements at IUB.
[2] Students with a background in a language may take a proficiency or placement exam to potentially expedite completion of this requirement.
[3] CASE Culture Studies must be taken at IU Bloomington or through an IU-administered or IU co-sponsored Overseas Study program.
Additional notes: Requirements completed in one area may, under certain conditions, fulfill requirements in other areas.
IUB GenEd courses outside the College may be applied to the CASE Breadth of Inquiry, but will not count toward the 100 hours in the College.

This worksheet is a personal tool for your early degree planning. Be sure to consult with your academic advisor regularly.
For your official record of degree progress, run your Academic Advisement Report with Transcript (one.iu.edu>AAR). For official policy and planning information, refer to the College's Academic Bulletin>Policies & Procedures and the College website (college.indiana.edu).
